

Name the Moose Fundraiser

Our new moose needs a new name for the 2014 season! Have a good idea for a moose name? Would like to name the moose after yourself or a friend/loved one? Enter the first annual Name the Moose Fundraiser contest! If your entry is drawn on **September 18, 2013** the moose will either be named after you or take on the name you choose for him* for the 2014 season! It's simple:

Make a \$5 donation and have your name submission put into a drawing. For each additional \$5 donation receive two more submissions!

Winning name will be printed on a plaque under the moose head from May 2014 until September 2014 and moose will be called by that name for the 2014 season. Winner will be announced and contacted on or by September 20, 2013 and will have a picture sent of the moose with its new name in May 2014.

*Name choices are subject to Hammer Museum staff approval.
